Item 3. Source and Amount of Funds or Other Consideration.

In connection with the Reporting Person's service as a member of the Company's board of directors and the Company's initial public offering (the "IPO"), on January 28, 2015, the Reporting Person received options to acquire 10,000 Ordinary Shares at an exercise price of \$10.00 per share. The options were granted pursuant to and in accordance with the Presbia Incentive Plan. One third of the options vested on January 28, 2015, one third of the options will vest on January 28, 2016, and one third of the options will vest on January 28, 2017. None of the options are exercisable while the Reporting Person is an employee, officer or director of the Company, unless the Board of Directors of the Company, in its sole discretion, waives such restriction after determining that such exercise shall not trigger a Rule 9 mandatory takeover under the Irish Takeover Panel Act 1977 (as amended) and the related Irish takeover rules.

In connection with a corporate restructuring consummated in anticipation of the Company's initial public offering, on January 14, 2015, the Company issued 9,166,667 Ordinary Shares to Presbia Holdings in exchange for Presbia Holdings contributing to the Company all the share capital in issue in Presbia Ireland, Limited, an Irish private limited company which was wholly-owned by Presbia Holdings at the time of such contribution.

On February 3, 2015, Presbia Holdings purchased 500,000 Ordinary Shares in the IPO at a price of \$10.00 per share. Item 4. Purpose of Transaction.

All of the Ordinary Shares beneficially owned by the Reporting Person are held for investment purposes. The Reporting Person intends to review both his and Presbia Holdings' investment in the Company on a continuing basis. Depending on various factors including, without limitation, the Company's financial position and investment strategy, the price levels of the Ordinary Shares, conditions in the securities markets and general economic and industry conditions, the Reporting Person may in the future take such actions with respect to his (and Presbia Holdings') investment in the Company as he deems appropriate including, without limitation, making proposals to the Company concerning changes to the capitalization, ownership structure or operations of the Company, purchasing additional Ordinary Shares, selling some or all of the Ordinary Shares, engaging in short selling of or any hedging or similar transaction with respect to the Ordinary Shares or changing his intention with respect to any and all matters referred to in Item 4, in all cases subject to applicable laws, rules and regulations. In addition, as noted above, the Reporting Person serves on the board of the directors of the Company. From time to time, the Reporting Person, in his individual capacity, may receive additional stock options or other awards of equity-based compensation pursuant to the Company's compensation arrangements for non-employee directors.

Item 5. Interest in Securities of the Issuer.

(a)-(b) Based upon information provided by the Company, there were 13,333,334 Ordinary Shares of the Company issued and outstanding as of the Filing Date. Presbia Holdings holds 9,666,667 Ordinary Shares as of the Filing Date. The Reporting Person is a director of Presbia Holdings and directly and/or indirectly has a controlling equity interest in Presbia Holdings. As a result of the foregoing, the Reporting Person possesses the sole power to vote and the sole power to direct the disposition of all securities of the Company held by Presbia Holdings. Certain other officers and/or directors of the Company (including Ralph Thurman, Zohar Loshitzer, Vladimir Feingold, John Jacob Vander Zanden and Mark S. Blumenkranz) hold equity interests, directly and/or indirectly, in Presbia Holdings. These individuals do not control voting or disposition of Ordinary Shares held by Presbia Holdings.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

Pursuant to a registration rights agreement between the Company and Presbia Holdings, Presbia Holdings is entitled to rights with respect to the registration of its Ordinary Shares under the Securities Act of 1933, as amended (the "Securities Act"), subject to the lock-up agreement with respect to the 9,166,667 Ordinary Shares acquired by Presbia Holdings in connection with the corporate restructuring transaction reported in Item 3. Both the registration rights agreement and the lock-up agreement are described below.

Registration Rights Agreement

Presbia Holdings has the right to cause the Company to register the Ordinary Shares held by Presbia Holdings not currently registered. These rights (i) are provided under the terms of a registration rights agreement between the Company and Presbia Holdings and (ii) include demand registration rights and piggyback registration rights. These registration rights are assignable, subject to certain conditions, including that the assignee be bound by the terms and conditions of the registration rights agreement.

Lockup Agreements

In connection with the Company's IPO, the Reporting Person and Presbia Holdings entered into lockup agreements with the underwriter of the IPO pursuant to which each of the Reporting Person and Presbia Holdings agreed, subject to certain exceptions, not to offer, sell, contract or grant any option to sell (including any short sale), lend, pledge, transfer, establish or increase a "put equivalent position" or liquidate or decrease a "call equivalent position" within the meaning of Rule 16a-1(h) under the Securities Act, or otherwise dispose of any Ordinary Shares, or any options to purchase Ordinary Shares; enter into any swap, hedge or similar arrangement that transfers, in whole or in part, the economic risk of ownership of Ordinary Shares, or of options to purchase Ordinary Shares; make any demand for, or exercise any right with respect to, the registration under the Securities Act of the offer and sale of Ordinary Shares, or of options to purchase Ordinary Shares, or cause to be filed a registration statement, prospectus or prospectus supplement (or an amendment or supplement thereto) with respect to any such registration, or publicly announce an intention to do any of the foregoing prior to July 28, 2015. The 500,000 Ordinary Shares purchased by Presbia Holdings in the IPO are not subject to the lockup agreement. In addition, certain of the shareholders of Presbia Holdings, including the Reporting Person and certain of his affiliates, have entered into a substantially similar lock-up agreement with the underwriter of the IPO with respect to their equity interests in Presbia Holdings.

The foregoing descriptions of the registration rights agreement and lockup agreements described in this Item 6 are generalized, do not purport to be complete and, as such, are subject to and qualified in their entirety to the full text of the respective agreements and documents, which have been adopted substantially in the form of Exhibit 1, Exhibit 2 and Exhibit 3 annexed hereto and which are incorporated herein by reference.
